eDaily 4: Saturday, June 12

Hello!

It's hard to believe that the final day of the live portion of the virtual 2021 ACVIM Forum is already here! These past three days have brought us so many great live sessions, activities and opportunities to make new connections as well as reconnect with former colleagues.

Yesterday, we announced the winners of the 2021 ACVIM Recognition Awards and invited you to help us send them virtual congratulations. You can still do so by following the links located in [the ACVIM booth](#). On social media, we asked you to show off your pets who are attending virtually with you and received some amazingly adorable submissions – just a few of which are compiled below.

Today, you'll have one last opportunity to enter the drawing for the \$100 gift card by commenting on our final social media question. We also welcomed some furry attendees to the conference: kittens, sheep, goats and playful pandas joined us via livestream in the **Specialists Lounge Sponsored by VCA Animal Hospitals!** Make sure to pop in to see what the animals are up to between sessions, chat with fellow attendees and enter to win prizes.

While we're sad that today is the last day of the live event, we're looking forward to filling your Saturday with more high-quality CE and networking with veterinary professionals from around the world! Thank you for joining us and we hope you continue your journey with the wide assortment of on-demand content available!

...

Saturday Highlights to Add to Your Agenda:

 **Prizes & Giveaways:** Love freebies? Check out the Prizes & Giveaways page for exclusive offers from our exhibitors and sponsors just for ACVIM Forum attendees!

 **Product Showcase:** Explore the innovative products and services on display in the Product Showcase! Sponsored by Antech Sound Imaging, Hill's Pet Nutrition, Imprimed, MilliporeSigma and PetCure Oncology.

 **Scavenger Hunt:** The competition is fierce over in the Scavenger Hunt! Top three winners will receive \$2,000 worth of prizes, so keep racking up those points to climb up the leaderboard!

 **FINAL QUESTION! Get social with us:** Gain one last entry into the \$100 gift card drawing by commenting on today's social media post!

You can still explore the Solutions Center & Career Fair! Though the live visiting hours have concluded, virtual booths will still be available for you to view, drop a note or business card and explore exhibitor-provided resources.

...

ELIAS Cancer Immunotherapy — ECI®
Personalized cancer treatment for veterinary medicine.
Available at trained veterinary specialty hospitals nationwide.

 **ELIAS®**
ANIMAL HEALTH

Visit our booth to learn more and enter to win a prize!

ECI® is an experimental Autologous Prescription Product distributed under 9 CFR 103.3 for the treatment of cancer in dogs. Safety and efficacy have not been established.

...

In Case You Missed It:

⚠ On-demand sessions not compatible with Safari browser: An issue has been identified with the Safari browser on iPhone and iPad mobile devices and on demand video compatibility. As site developers work to address the issue, the best work-around for the time being is to use either Google Chrome or Microsoft Edge for on-demand sessions. We will post another update once the issue is resolved. Thank you for your patience and understanding!

✓ How to earn live CE: Attendees are required to check in at the beginning of each session to verify live session participation. Additionally, attendees should download the CE Session Log to easily track your session attendance and accurately record your length of participation. CE certificates will be emailed to all individuals who checked into a live session after June 12. Please visit the [CE Info page](#) for more information:

▶ How to earn on-demand CE: CE credits earned for on demand sessions fall into the category of Anytime, Non-Interactive credits. To earn CE credits for on demand sessions, successful completion of the CE quiz associated with the session is required by AAVSB. Each CE quiz is comprised of at least 5 questions and you will receive 3 attempts to earn a passing score of 70%. Each successfully completed quiz will automatically populate into your CE transcript. The transcript will automatically generate a record of all your CE credits earned and populate your Anytime, Non-Interactive program CE certificate. Look for the "Complete CE Quiz" button below the session description to start the process.
