NOMINEE: \_\_\_\_\_

SPECIALTY: \_\_\_\_\_

POSITION: \_\_\_\_\_

ADDRESS: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Selection is based on the following criteria:

- A. Having an outstanding career in veterinary medicine with national and international recognition for contributions. Selection is based on life long career versus a single activity or incident.
- B. Production of major published works and/or development of significant diagnostic, therapeutic or control techniques and/or procedures.
- C. A record of sustained service as a veterinarian in such activities as clinical medical practice, instruction, research and/or public service (based on # of years).
- D. Demonstrated mentorship to interns, residents, graduate students, post-doctoral fellows, junior faculty or beginning specialists.
- E. Contributions to veterinary organizations.
- F. Contributions to the ACVIM.

Please submit the following information with the nomination:

- A. A nomination letter (detailed explanation of why this nominee deserves the award)
- B. Curriculum vitae
- C. At least three supporting letters from colleagues
