

The 2019 ACVIM Forum Interactive Schedule is a dynamic platform to help navigate all the offerings at the 2019 ACVIM Forum. You are able to search and browse sessions and events by day, specialty, speaker, networking events and more. There are also helpful icons to help visualize different session offerings.

As a registered attendee, you can build your own schedule to help you plan your on-site activities in advance. Sessions that you pre-registered for will be automatically marked as a favorite (blue star) on your schedule and you can favorite other sessions that you are interested in attending. You will be able to export your personal schedule to your calendar or as a PDF, Word or Excel document to print.

## Welcome to the 2019 ACVIM Forum Interactive Schedule

The Interactive Schedule makes it easy for you to prioritize your time at Forum by planning your on-site activities in advance. Here you can search and browse sessions and events to create your own personal itinerary (available to registered attendees only), view the Solutions Center (exhibit hall) floor plan and choose exhibitors to visit.

### Build Your Schedule

- Search or browse for sessions and events by using the options on the left navigation bar.
- Review session descriptions and speakers by clicking on titles.
- Add events to your itinerary by clicking on the ★ next to the title of the event.
- Add personal appointments.
- Export your personal schedule to your calendar, as a PDF, Word or Excel document or Print.

All conference participants **must be registered for Forum** to create and build a schedule.

Click **'My Schedule'** on the left navigation bar and follow the Login instructions. You will need your **Registration ID** from your registration confirmation email to begin building your schedule. There is an option to resend your registration confirmation email that contains your Registration ID from the Login page.

You can access your itinerary at any time by selecting **'My Schedule'** or click on your name above. As you continue to add or remove programs, your itinerary will be updated.

### How do I use the 2019 ACVIM Forum Interactive Schedule?

The interactive schedule has some key features to help make planning your conference experience even easier.

1. Browse Forum Schedule
2. Create a personalized schedule (My Schedule)
3. Plan your Solutions Center (exhibit hall) experience
4. Search for other attendees for networking opportunities
5. Sync your personalized schedule with the mobile app (available in May)

### Browse Forum Schedule

This feature allows you to search and view all sessions and events without logging in. Scroll over the Browse Forum Schedule tab and select **'Full Schedule'** for the complete schedule. Filter the full schedule by entering a key word (e.g. neurology or equine) to see more specific selections.

Click on the title of a session to view its full details.

### Adding Favorites to Your Personal Schedule

Once you are logged in, your pre-registered events will show as a favorite with a blue star. You can add additional sessions, events and speakers to your schedule by clicking on the gray star icon (yellow star will appear). Once added, you have the ability to view all of your favorites by clicking the 'My Schedule' link.

*Please note: marking your favorite sessions and events in the Interactive Schedule (yellow star) does not guarantee attendance as sessions are on a first-come, first-served basis. Sessions that indicate "Pre-Registration Required" must be selected during the registration process. If you want to modify or add new sessions and functions to your registration, please refer to your registration confirmation email for the direct link to your registration summary.*

### Adding Notes

View all of your favorite sessions by clicking the 'My Schedule' link. Click on the gray square next to the star and add a note. Once you have added your details the square will turn blue.

The screenshot shows the ACVIM 2019 online schedule planner interface. The navigation menu on the left includes 'My Schedule' (circled in purple), 'Browse Forum Schedule', 'ePosters onDemand', 'Special Events & Activities', 'Solutions Center', 'Sponsors', 'People', 'Mobile App', and 'General Information'. The main content area displays a list of sessions for Tuesday, June 4 and Wednesday, June 5. Each session row includes a time slot, title, and a star icon. Two blue stars are highlighted with purple arrows, indicating favorite sessions. The interface also includes a search bar, 'Add Personal Appointment' button, and 'Export' dropdown.
