GENERAL INFORMATION
- Physical Poster schedule will be listed in the ACVIM Forum Program.
- Physical posters are displayed on poster stands near the ePoster Park in the Solutions Center Thursday-Friday, June 11-12.
- There will be awards for best resident research presentations by eligible ACVIM Candidates. Winners will be announced and contacted by Friday, June 12, through email.

SCHEDULE
Wednesday, June 10
12:00 pm – 5:00 pm  
Physical posters set up by presenters. Attach to the surface of the poster stand where you see your presentation sequence number.

Thursday, June 11
9:30 am – 7:00 pm  
Solutions Center open - Posters on display.
6:00 pm – 7:00 pm  
Poster Q&A, ACVIM Reception in Solutions Center – ALL physical poster presenters MUST attend their poster for full length of the reception.

Friday, June 12
9:30 am – 4:30 pm  
Solutions Center open - Posters on display.
4:30 pm – 5:00 pm  
Physical posters taken down by presenters.
5:00 pm  
Remaining physical posters discarded.

POSTER SET UP
- The physical poster surface area is neutral colored fabric approximately 4 feet high and 8 feet wide.
- No required physical poster size or orientation, can be horizontal or vertical.
- Abstract number signs (for sequencing) will be affixed on the poster stand surfaces to assist in locating where to hang the physical poster.
- All presenters MUST leave room on the surface area of the poster stand for the 17” x 6” sequence number sign, which will be affixed in upper left corner. Otherwise you may cover as much of the space as you wish.
- Presenters ARE REQUIRED to bring their own mounting devices as they will not be provided. Physical posters can be mounted with thumb tacks, push pins, t-pins and hook backed Velcro.
- If your physical poster is heavy or on stiff material, please make sure you have the appropriate mounting hardware, otherwise the physical poster will fall off. ACVIM is not responsible for re-mounting physical posters that detach from the surface of the poster stands.

CREATING YOUR PHYSICAL POSTER
- Create a print-off of your ePoster to hang on the poster stand surface.
