

RESIDENCY TRAINING PROGRAM REGISTRATION  
2019-2020  
CARDIOLOGY

Part One

New applications for ACVIM Residency Training Programs must be received by the Residency Training Committee (RTC) 90 days prior to any residents beginning training. Before completing this form, please review the general and specific requirements for Cardiology Residency Training Programs in the ACVIM Certification Manual (CM). The current version of the CM is available on the ACVIM website at [www.ACVIM.org](http://www.ACVIM.org).

Prior to making significant changes in a residency training program, approval of the ACVIM and Cardiology RTC must be obtained. The Candidate and/or Program Director must notify ACVIM, in writing before the changes are made to ensure that the proposed changes are approved. Significant changes could include, but are not limited to the following: changes in Program Director or advisors, transferring from one program to another, alterations in program duration, locations of secondary site training, switching to a 'dual board' program or enrolling in an institutional graduate program.

**Notice:** The data collected in this form is necessary both for the ACVIM to maintain its accreditation as a Registered Veterinary Specialty Organization and also is required for renewal of the residency training program. Some of the data collected is required of every specialty and some is specific to the specialty of Cardiology.

**For multi-site residency programs:** To ensure uniformity of training and compliance with current CM requirements, training programs that include multiple sites must provide detailed information regarding supervision and facilities available at each specific site(s). Multi-site programs, if any, will be addressed by the Program Director in Part Two.

Program Director Name:

Must be an active Diplomate of ACVIM in the Specialty of Cardiology or an approved ECVIM Diplomate in Cardiology

Program Director's Contact Information:

Work Phone:	<input type="text" value="(865) 974-8387"/>
Mobile Phone:	<input type="text"/>
E-mail:	<input type="text" value="RGompf@utk.edu"/>
Mailing Address:	<input type="text" value="SA Clinical Sciences, CVM&lt;br/&gt;C247-VTH&lt;br/&gt;Knoxville, TN 37996-4544"/>

1. Location of Sponsoring Institution (Primary Site of Residency Training Program):

Primary Site Location:	Length of Training Program:
<input type="text" value="University of Tennessee"/>	<input type="text" value="3 year"/>

2. Resident Advisor(s): Must be a Diplomate of ACVIM in the Specialty of Cardiology or an approved ECVIM Diplomate in Cardiology. There is no restriction on the number of Resident Advisors; however, each Resident Advisor can supervise up to two residents concurrently.

<input type="text" value="Rebecca Gompf"/>
--

3. Supervising Diplomate(s) on-site: Must be an active Diplomate of ACVIM in the Specialty of Cardiology or an approved ECVIM Diplomate in Cardiology.

<input type="text" value="Rebecca Gompf - Cardiology&lt;br/&gt;Liza Koster - ECVIM Cardiology"/>
--

4. Diplomates of ACVIM responsible for supervision of clinical training who specialize in areas other than Cardiology. If off-site, please explain the situation, and the method of providing direct contact with the resident.

Name and Specialty	Comments
<a href="#">William Thomas - Neurology</a> <a href="#">Kimberly Anderson - Neurology</a> <a href="#">Aude Castel - Neurology</a> <a href="#">Olya Martin - Oncology</a> <a href="#">India Lane - SAIM</a> <a href="#">Dianne Mawby - SAIM</a> <a href="#">Jennifer Stokes - SAIM</a> <a href="#">Jacqueline Whittemore - SAIM</a> <a href="#">Amy Holford - SAIM</a> <a href="#">Shelly Olin - SAIM</a>	

5. Residents currently participating in your training program, along with the beginning date of the program, expected ending date of the program, and designated resident advisor. All current residents and incoming residents (if known) should be listed here. Unless specifically approved, in advance, by the CRTCC, the ratio of cardiology residents to on-site Cardiology Diplomates who are actively involved in resident training cannot exceed 2 to 1.

Resident Name	Start date (mm/dd/yyyy)	End Date (mm/dd/yyyy)	Resident Advisor Name*

American College of **Veterinary** Internal Medicine

**RESIDENCY TRAINING PROGRAM REGISTRATION  
2019-2020  
CARDIOLOGY**

**Part Two**

**Part Two of the Cardiology Residency Training Program addresses general features that apply to all current residents. These questions will be used to provide the Residency Training and Credentials Committees with information needed to judge the structure, quality, scope, and consistency of training provided. (Part Three must be completed and submitted for each resident.)**

Current Date:

Program Director Name:

(Must be a Diplomate of ACVIM in the Specialty of Cardiology or an approved ECVIM Diplomate in Cardiology)

Name of Sponsoring Institution (Residency Training Program):

1. Please list **all Diplomates of the American College of Veterinary Pathology and the European College of Veterinary Pathology** in the areas of clinical pathology or gross/histopathology associated with residency training. If off-site, please explain the situation, and the method of providing direct contact with the resident.

Name of Diplomate(s)	Clinical or Gross	ACVP or ECVP	Comments
Dr. Robert Donnell	Gross	ACVP	
Dr. Linden Craig	Gross	ACVP	
Dr. Bente Flatland	Clinical	ACVP	
Dr. Michael Fry	Clinical	ACVP	
Dr. Kim Newkirk	Gross	ACVP	

2. Please list **all Diplomates of the American College of Veterinary Radiology and European College of Veterinary Diagnostic Imaging** associated with residency training. If off-site, please explain the situation, and the arrangements for direct contact with the resident.

Name of Diplomate(s)	ACVR or ECVDI	Comments
Dr. Federico Morandi	Both ACVR and ECVDI	
Dr. Adrian Hespell	ECVDI	
Dr. Marie deSwarte	ECVDI	
Dr. Constance Fazio	ACVR	
Dr. Silke Hecht	Both ACVR and ECVD	
Dr. Isabella Pfeiffert	Radiation Oncology	

3. Please list **all Diplomates of the American College or equivalent European colleges of Dermatology, Surgery, Ophthalmology, Anesthesiology, ECC, clinical nutrition, clinical pharmacology, and/or theriogenology** associated with residency training. . If off-site, please explain the situation and the arrangements provided for contact with the resident.

Name of Diplomate(s)	Specialty	Comments
Dr. Julie Albright	Behavior	

Dr. Thomas Chen	Ophthalmology	
Dr. Andrew Cushing	Exotics	
Dr. Elizabeth Drake	Dermatology	
Dr. Marti Drum Dr. Chris Egger Dr. Linda Frank Dr. Cheryl Greenacre Dr. Liz Guieu Dr. Diane Hendrix Dr. Mike Jones Dr. Cassie Lux Dr. Kristen Marshall Dr. Darryl Millis Dr. Maryanne Murphy Dr. Zenithson Ng Dr. Adesola Odunayo Dr. Ed Ramsay Dr. Julie Schildt Dr. Reza Seddighi Dr. Chris Smith Dr. Kyle Snowdon Dr. Karen Tobias Dr. Dan Ward Dr. Joe WEigel Dr. Angela Witzel-Rollins Dr. Tulio Prado	Physical Therapy Anesthesia Dermatology Avian and Exotics ECC Ophthalmology Avian and Exotics Surgery ECC Surgery Nutrition ABVP ECC Exotics ECC Anesthesia Anesthesia Surgery Surgery Ophthalmology Surgery Nutrition Reproduction	

4. Please indicate the availability of the following facilities or equipment. Indicate if these are available on-site at the primary training site, or at a different location. (In the Location column, indicate on-site for primary location or the name of the facility where the equipment is located if off-site.) For facilities that are not on-site, please describe the situation and availability in the space at the end of this section. See CM 5.D for details.

	Available?		Location of equipment? (On-site or list site name)
	Yes	No	
a) Blood pressure equipment (must be on site)	<input type="checkbox"/>	<input type="checkbox"/>	
b) Cardiac catheterization capability (must be on-site)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
c) Echocardiography equipment (must be on-site)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
d) Fluoroscopy (must be on site)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
e) Pacemaker interrogation (must be on site or available off-site)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
f) Standard radiological equipment (must be on-site)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
g) Electrocardiography (must be on-site)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
hi) Brainstem Auditory Evoked Response Equipment	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
i) Clinical Pathology capabilities:	<input checked="" type="checkbox"/>	<input type="checkbox"/>	

(includes CBC, serum chemistries, blood gases, urinalysis, cytology, parasitology, microbiology, endocrinology, anatomic and histopathology)

- j) Colloid oncotic pressure measurement
- k) Computed Tomography
- l) Electroencephalography
- m) Electromyography
- n) Endoscopy equipment
  - GI equipment
  - Bronchoscopy
  - Cystoscopy
  - Rhinocopy
  - Laparoscopy
- o) Hemodialysis capability
- p) Intensive Care Facility – 24 hours
- q) Magnetic Resonance Imaging
- r) Nuclear Medicine [access is desirable]
- s) Radiation Therapy Facility
- t) Serum osmolality measurement
- u) Total parenteral nutrition capability
- v) Ultra sonographic equipment
- w) Urethral pressure profile & cystometrography
- x) Computerized Medical Records w/Searching Capabilities
- y) Medical Library w/Literature Searching Capabilities
- z) Veterinary Library w/Literature Searching Capabilities

<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input type="checkbox"/>	<input checked="" type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	

If any of the above equipment or facilities are available off-site, please explain how the resident can access them for case management, research, or study.

5. Clinical caseload information (this information should reflect the caseload of the prior 12 months at the primary site)

Total Cardiology caseload per year:

1200

Number of echocardiographic examinations per year:

6. Number of cardiac catheterizations per year:

15

**Didactic Learning Opportunities and Research Requirements:** In recognition of the importance of scientific discovery as a critical mission of the ACVIM, all Residency Training Programs shall include an assessment period or instruction and/or participation in creative scholarship which will foster an appreciation of, competency in, and contribution to the knowledge base of their respective specialty and which will support their development as clinician scientists. This requirement is fulfilled through satisfactory completion of A, B and one of C [See CM 5.E and 5.F]:

A. Journal Club: Critical review of literature, minimum of eighty (80) hours during the program. Describe how this requirement is met or exceeded.

Every Tuesday morning from 8 until 9 Journal Club is held with the resident and cardiology faculty.

B. Cardiology-focused Educational Experiences: Minimum of one hundred fifty (150) hours during the program. Describe how this requirement is met or exceeded. [See CM 5.E.2]

Every Monday morning from 8 to 9 are resident rounds where in three years all of the systems are covered for the residents for boards and includes reanl, oncology, respiratory, cardiology, etc. On Thursday mornings from 8-9 there are either ECG rounds or physiology and book review sessions with the residents. On Friday mornings, there are case rounds for the residents.

C. Successful completion of any one of the options listed below. Describe how this will be fulfilled or exceeded in the individual trainee's specific application.

1. Successful completion of at least two (2) of the following three (3) short courses/workshops offered by ACVIM either on-line or at the Forum:
  - A. Critical evaluation of veterinary medical/biomedical literature
  - B. Grant Writing
  - C. Study, design and participation in clinical trials
2. Documented submission of a grant proposal (by advisor letter)
3. Acceptance and presentation at a scientific meeting of an abstract (oral or poster) of original work
4. Documented completion (by advisor letter) of a prospective or retrospective research program pertinent to the candidate's specialty
5. Documented completion (by advisor letter) of graduate course work in biostatistics, research methods, and/or research ethics.

The cardiology resident is required to do a research project and a grant proposal is submitted to ACVIM Cardiology grants as well for internal funding.

Note: Letters of documentation by advisors will need to accompany the final submission of the Resident Logs to the Residency Training Committee in order to qualify for a resident certificate.

**Please note, any Program Director or Candidate that significantly changes or alters this Residency Training Program before completion must notify ACVIM, in writing, before the changes are made to ensure that the proposed changes are approved.**

**Significant changes could include, but are not limited to:**

- transferring from one program to another
- alterations in program duration
- switching to a 'dual board' program
- enrolling in an institutional graduate program
- change of Program Director or Resident Advisor

**As Program Director, I verify that I have read the Certification Manual and that the above information is an accurate reflection of this Residency Training Program.**
