

**Hope vs Hype in Veterinary Oncology Diagnostics
On Demand**

Premier Sponsor

DAY 1	
Topic	Presenter(s)
<p>Personalized Medicine: Diagnostics and Therapies</p> <ul style="list-style-type: none"> Recognize the opportunities for personalized/genomic diagnostics in veterinary oncology Understand how these diagnostics may guide treatment decisions on an individual patient basis Describe the limitations to personalized medicine in veterinary medicine currently Incorporate information discussed in this session into your clinical practice and client discussions 	<p><i>Dr. Chand Khanna, Dr. Cheryl London, Dr. Kai-Biu Shiu, Dr. Douglas Thamm</i></p>
<p>Interactive Discussion – Personalized Medicine: Diagnostics and Therapies</p> <ul style="list-style-type: none"> Recognize the opportunities for personalized/genomic diagnostics in veterinary oncology Understand how these diagnostics may guide treatment decisions on an individual patient basis Describe the limitations to personalized medicine in veterinary medicine currently Incorporate information discussed in this session into your clinical practice and client discussions 	<p><i>Dr. Chand Khanna, Dr. Cheryl London, Dr. Kai-Biu Shiu, Dr. Douglas Thamm</i></p> <p><i>Moderator: Dr. Kristen Weishaar</i></p>
<p>Chemosensitivity Assays</p> <ul style="list-style-type: none"> Describe the methods and techniques utilized in these diagnostics Describe the pros and cons of chemosensitivity assays in predicting in vivo response Understand the potential clinical utility of chemosensitivity assays in case management and treatment selection Incorporate information discussed in this session into your clinical practice and client discussions 	<p><i>Dr. Craig Clifford, Dr. Chad Johannes, Dr. Kai-Biu Shiu</i></p>
<p>Interactive Discussion – Chemosensitivity Assays</p> <ul style="list-style-type: none"> Describe the methods and techniques utilized in these diagnostics Describe the pros and cons of chemosensitivity assays in predicting in vivo response Understand the potential clinical utility of chemosensitivity assays in case management and treatment selection Incorporate information discussed in this session into your clinical practice and client discussions 	<p><i>Dr. Craig Clifford, Dr. Chad Johannes, Dr. Kai-Biu Shiu</i></p> <p><i>Moderator: Dr. Philip Bergman</i></p>
