

## **Scientific Session Sample Moderator Script**

This script is intended for moderators of scientific sessions only.

### **Beginning of the session:**

Welcome to the *<Presentation Title>* session.

We want to thank *<sponsor name>* for sponsoring this session. (If there is a sponsor)

My name is *<your name>*. Today's session will last 60 minutes. If you have a cell phone, please set it to vibrate during the session.

I would like introduce *<Presenter Name >*, *<Designation(s)>* from *<Organization>*. (Repeat for every speaker if more than one.)

Read speaker bio(s).

Now, I will turn it over to *<first speaker name>*.

### **At the end of the session:**

Thank you for attending this session. Please remember to complete the session evaluation on the ACVIM Forum Mobile App. Also, make sure to visit the Solutions Center (if a Thursday or Friday session).
