eDaily 2: Thursday, June 10

Hello!

Welcome to day two of the live virtual 2021 ACVIM Forum! We're so glad you're joining us for a second day of high-quality live sessions and on-demand continuing education, with networking and connections to veterinary professionals around the world.

Yesterday kicked off with a fascinating Keynote Address delivered by Dr. Jamie Metzl, followed by a day full of live sessions. During the Wednesday Networking Break, we traveled virtually to Lima, Paris and Rome, unleashed our psychic potential with master mentalist and magician Michael Gutenplan, or tuned in as The Second City made us laugh with a personalized improv show.

Congratulations to the winners of our virtual Trivia Night, hosted by **NVA Compassion-First!** First place and the \$500 Visa gift card went to attendee Leigh Ann Howard; second place and the \$400 gift card went to Regina Hayburn; and third place and the \$300 gift card went to Aaron Inserra. Additional \$50 prizes were randomly drawn and awarded to ten other Trivia Night attendees. Great work, all!

We're looking forward to a second day filled with live and on demand sessions, networking and virtual connections! Below are some reminders and tips to help you get the most out of today's conference experience.
